CIVIL ACTION # _____

VS.

STIPULATIONS

The following stipulations must be adhered to in connection with all seizures requested of the United States Marshal for the Eastern District of Louisiana

1. Pursuant to 28 USC 1921, this office will require a minimum deposit of \$10,000.00 for all seizure cases involving the use of a contract guard service. In the absence of a dismissal or settlement between parties involved, an additional deposit (determined by the U.S. Marshal) will be required by the close of business ten (10) calendar days following the seizure date. In the event the seizing attorney fails to meet this obligation, the United States Marshal may petition the U.S. District Court for dismissal order.
2. The amount of deposit required involving a seizure where a Substitute Custodian is utilized will be a minimum of \$3,000.00
3. In the event the vessel is involved in any bankruptcy proceeding, it is incumbent upon the seizing attorney to immediately notify this office at (504) 589-3174
4. The refund of your deposit will take approximately 4 to 6 weeks to process after the release of the seizure. We must wait for insurance cost calculations, guard and launch service vouchers to gain an accurate cost of fees incurred by our office on your behalf. Please be patient during this process, as partial refunds will not be extended.
